The I Gl states that H H the Maharaja has kindly consented to get a graduate teacher trained in the Deaf and Dumb Asylum at Calcutta at his own expense for the purpose of teaching in the Deaf and Dumb School at Mysore and that a graduate teacher is prepared to go to Calcutta to receive the training for 8 months from 1st January 1904. He also reports that the above teacher has bound himself to serve in the Deaf and Dumb School at Mysore at least

for 5 years after his Return from Calcutta and he will have to be paid at rate of Rs 50 per mensem

In these circumstances the D.I. requests that the present grant in aid of the School Rs 25 per mensem be raised to Rs 75 with effect from the date of the trained Master's Return from Calcutta

The increase of grant if sanctioned will be included in the Budget for 1904-5

SIR,

I have the honour to inform you that a private school for the Blind and Deaf-Mutes has been in existence at Mysore since October 1901 under the management of a private Committee It has been maintained with considerable difficulty from private subscriptions till now There are 21 pupils on the roll at present of whom 9 are blind and 12 are deaf-mutes Of the pupils 16 are in indigent circumstances, and require the help of scholarships for their maintenance The teaching of the blind is fairly satisfactory, 4 out of the 9 boys having reached the III Vernacular Standard Besides reading writing and Arithmetic the blind are taught to sing, to weave mats and to knit. The general education of the deaf-mutes is not satisfactory in as much as there is no teacher specially trained in the

Semet

and art of teaching deaf-mutes - A teacher trained in one of the large schools for deaf-mutes in Bombay and Calcutta has yet to be secured for the work - The deaf-mutes are taught something of drawing, carpentry, rattan work and clay-modelling in the Mysore Industrial School, and weaving in the weavers' lines at Mysore

2 As a tentative grant I recommend that Rs 25 a month may be sanctioned from 1st January 1903 from the savings of Rs 38 shown in my letter No 5766/194 dated 9th January 1903 This grant will have to be increased shortly if the teaching has to be put on a satisfactory basis In addition to this grant, the services of a teacher on Rs 15 of the Mandimohalla Kannada Boys' School in Mysore which has greatly suffered in strength on account of plague have been lent to the school from January 1902, and he has done useful work in preparing and teaching Kannada Readers on the Braille system

Then we should consider a selected list of books &
